- If you are expecting a lump sum and want to reduce your balance, call us first: payments above your overpayment allowance before 31 August 2028 attract the early repayment charge.
- Your annual tax certificate of mortgage interest for 2026 will be issued in January 2027.

IMPORTANT INFORMATION

1. Interest is calculated daily on the outstanding balance and charged monthly.
2. Your home may be repossessed if you do not keep up repayments on your mortgage.
3. Both borrowers are responsible for the whole debt. On the death of one borrower the debt remains payable by the other and by the estate.
4. If you are struggling to pay, contact our Customer Support Team on +590 21 300 1911.
5. Complaints can be referred to the Meridia Financial Ombudsman after our final response.
